Principal's Column

Hello, Giinagay, Hai,

Jo Lane commenced as the School Administrative Manager of our school in February 2014.

Jo Lane's life has been dedicated to making a difference, in the lives of the students and staff in her region, here on the Mid North Coast and previously, the Tableland District. She has the skill of making anyone in her presence feel valued and important, with her positive attitude, no hurdle for herself or team.

Jo's sterling contribution to Public Education spans an era of 29 years.

Jo was always about creating vibrant, sustainable, inclusive and responsible communities in various other roles along the way.

When Jo arrived at Scotts Head her outstanding communication skills and sense of humour formed a solid basis in all her interactions with all members of the community. Jo is a highly empathetic person, possessing a high degree of persistence and the ability to remain calm and consistent in decision making in the face of the daily challenges in the business of a school day.

As the School Principal I found Jo always approachable, an effective listener who sought to clarify the issues as they arise, a transparent decision maker, non-judgemental, decisive, reliable, strong, resilient, innovative, reflective, respected and popular. Jo always went out of her way, to brighten someone's day.

The quality that is a stand out above all, is her love and commitment that she has to her family.

Jo Lane - thanks for all you have done to improve the lives of anyone in your midst. We all wish you the best in the next phase of your life.

Thanks, yaarri yaraang, terima kasih.

Bu Gillian
