## Principal's Column

Hello, Giinagay, Hai,

### Nambucca Valley Art Show

A great night was had at the opening of our Nambucca Valley Art Show, where teachers from the 10 schools nominated students to exhibit a picture of their favourite place. The Valley 10, K-12 Art Exhibition showcased public school talent. Thanks to the students and their families that came along and supported the event. A huge thank you to Sarah Landers, Principal of Medlow PS who made this event possible.

Scotts Head Public School provides quality educational experiences which develop children's academic, social, creative, physical, cultural and citizenship abilities. This experience was certainly tailored, to assist children to realise their unique potential especially in their artistic talents.

At Scotts Head Public School, we work really hard to ensure that all students are given lots of opportunities to experience a range of extra curricular activities.

Recently at the Bowling Club and now with this feedback below that we have just received, all of us as a community should be proud of the contributions our students are making to the lives of each other, community and the valley as whole.
