Principal's Column

Hello, Giinagay, Hai,

I am delighted that this term our school, like many other public schools in the state, will participate in a Department of Education initiative: the Tell Them From Me student feedback survey. The survey measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

More information about the survey is available at:

<http://surveys.cese.nsw.gov.au>

The survey is a great opportunity for our students to provide us with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. More than 6,300 schools in Australia and around the world have used Tell Them From Me to survey 5.4 million students. Capturing the voices of our students will help improve how we do things at our school.

I want to assure you that the survey is confidential. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours between 8 and 12 April. Participating in the survey is entirely voluntary.

A consent form and FAQs for parents/carers about the survey has been sent home with students. If you do not want your child or children to participate, please return the form to school by 5 April. Copies of the form and FAQs are available from:

<http://surveys.cese.nsw.gov.au/information-for-parents>.

Parents are invited to attend our End of Term Assembly on Friday 5 April starting at 2.00pm. We will be celebrating the achievements of students this term, as well as performances and awarding the swimming medals.

Thanks, yaarri yaraang, terima kasih.

Bu Gillian

Buckling up on school buses

Some school buses will look different now with the introduction of seat belts into Busways' fleet.

By law, passengers in a seat belt-fitted vehicle must wear the seat belt. If your seat has a seat belt, you need to buckle up - the way you do while travelling in a car.

Each seat will have three seat belts so you get to share the seat with one or two of your friends! It's important that you clip in your seat belt without having to be asked by the bus driver as they need to focus on driving the vehicle safely.

By law, you won't be able to stand on the bus once yours has seat belts – you must sit in a seat and wear your seat belt correctly. Don't forget to 'click clack'.

Parents - It would be a great assistance if you can help by talking to your children about wearing their seat belts on the bus without waiting to be asked. It is just like getting in the car – if there is a seat belt on their seat, they need to buckle up.
