Principal's Column

Hello, Giinagay, Hai,

What a great day on Friday !

Australia Indonesia sahabat lama Australia and Indonesia are old friends

Australia and Indonesia have been friends since the 1600's when Macassan fishermen from Sulawesi began a long relationship with the Yolngu people of Arnhem land.

Australia supported Indonesia's fight for independence from the Dutch. During this conflict, when Dutch ships carrying guns and ammunition tried to dock in Australian harbours, our waterside workers refused to service them.

The ongoing goal of schools, with parents, grandparents and the community is to prepare our students for their life beyond school. Our mission here at Scotts Head Public is to educate future generations through relevant and authentic learning experiences with Asia in social, cultural, political and economic spheres.

This intercultural understanding assists our young people to become responsible local and global citizens, equipping them through their education for living and working in an interconnected world and developing language skills and enhancing our students' knowledge, understanding and acceptance of Asian societies, cultures and environments.

Our mission is to provide a substantive pathway for the study of Indonesia language from Kindergarten to HSC. In 2017, there were 77,150 HSC graduates and only 192 students across the state completed Indonesian. This equates to a 0.25% participation rate.

In the last two years our student graduates attending Macksville High School have had the opportunity of an extension program in Year 7. This has led to this year a select class of 25 students in year 8, choosing to continue their Indonesia language studies. Outstanding results strongly supporting our vision of an Australia with more people who can engage with Indonesia for our mutual benefit.

Thanks to our previous Principal Mrs Angela Evans, who introduced this unique program to our school. Thanks to the families who continue to support this program, as we support students to engage with our nearest neighbours. Thanks to all the families that cooked and prepared an amazing feast on Friday. Thanks to all the families that helped in cleaning up. Great teamwork!

Thanks to all our distinguished guests who have made this event so special, especially Uncle Mark Flanders, Uncle Ritchie and Deputy Mayor John Wilson.

Thanks to our dedicated staff from here and Macksville HS for your dedication, passion and enthusiasm. A huge thanks must go to the Indonesian team Pak Karl, Bu Bibi, Pak Mur and Bu Alfira for an outstanding day.

Thanks to the Indonesian Consul team for visiting Scotts Head Public School, as a sign of friendship and solidarity in the context of furthering people to people relations. It is a great honour to receive dignitaries at our small school and it reflects how dedicated and supportive Indonesia is of us in increasing our intercultural literacy.

This Week's Whale Awards and Class Academic Awards

Finally thanks to all our students for outstanding performances and being so enthusiastic, curious and willing to learn.

We got some great publicity to raise the profile of the program. Below are links to photos, articles and videos from the day.

On Friday May 24 the Indonesian Consul General for the Republic of Indonesia came to our school. They brought snacks and drinks along with fried rice that they were cooking right before our eyes. At the start of the day Macksville High School arrived with some of the year sevens and all of the year eights. Soon after that we had a Welcome to Country along with a smoking ceremony performed by Uncle Mark Flanders. Followed by speeches by Pak Karl, Bu Gillian, and the Indonesian Consul Bapak Heru Hartanto Subolo. After that we had performances and then we went to recess. After recess the 4, 5, 6, 7, 8 classes went to learn classic Indonesian instruments before performing them in front of everyone who was there that day. After that we all went to lunch to have some Nasi Goreng and saying goodbye to them all. By Charlotte.

LASH TWO at The Hub on Thursday 6 June

Subject Who were the first people in Scotts Head?
Obviously it was the indigenous people. Miklo Jarrett will trace the movement of the aboriginal people from northern to southern Australia. He will tell us lots about the Ngaambaa people, a sub-tribe of the Gumbaynggirr. The Ngaambaa settled our peninsula. And needless to say he will regale us with Dreamtime stories as well as teaching us more Gumbaynggirr. Then Carolinne Rhodes who has written 6 books on the history of the Nambucca Valley will tell us about the first white men into the valley, namely the cedar cutters and the man who bought the cedar, Captain Scott.

When? Thursday 6 June
Starting time? 6 pm for a meal
7 pm for the talks, finishing at 8.30 pm

Menu? An "aussie" themed dinner, incorporating some local bush tucker and local ingredients into dishes to honour the first people who cared for this wonderful Gumbaynggirr land. It will also include some early settler favourites - pumpkin soup and a traditional roast
Booking is essential and \$29 a head including drink on arrival and tea/coffee after the talk, the tea/coffee accompanied by a lamington, of course. Michael Blockey

Healthy Lunch Box

Nutrition Snippet

The simplest way

... to ensure your child is eating from the five food groups

Try our nutritious [Chicken Burrito Bowl](#) which ticks off three of the five food groups.

Together with a piece of fruit and some dairy, such as a tub of reduced-fat yoghurt, lunch is sorted!
