Ricky is heading to the United Nations

Ricky Buchanan is heading to the United Nations on 12 July and will return on the 22 July. He will be attending the Expert Mechanism on the Rights of Indigenous People (EMRIP) Conference being held in the Palais des Nations, Geneva, Switzerland.

He will be on a panel discussion with a few other Indigenous youth representatives from NSW. He will be talking about the UN Declaration of the Rights of Indigenous People (UNDRIP).

Ricky will be discussing the displacement of Indigenous people, recognition of Indigenous people, reparation, reconciliation, and Indigenous women in power. Principal's Column

Hello, Giinagay, Hai,

At Scotts Head PS, we consider communication between home and school as an essential part of the learning process. The school-based reports that will be sent home this week gives direct feedback about student's academic and non-academic learning. This also provides the information that directs curriculum decision making at the school level. Please take the time to read these with your children and discuss their results, achievements and future goals. In regards to discussing your child's progress, we will hold Parent Teacher interviews again in early term 3. If you have any concerns before then please make a time with the classroom teacher.

Included in with the reports are surveys which gives the school information to take further action. I encourage you to complete and return to the school.

As we come to the end of the first semester I would like to thank our dedicated and highly professional teachers and education support staff for working together as a committed team focusing on providing targeted and engaging learning experiences for our students. Thank you for the care that you provide and for always ensuring that we focus on improvement for all students. Your professionalism, integrity and knowledge is highly regarded and you each play a significant role in our whole school team.

Thanks to Mel Williams, our Canteen Manager, who tirelessly works most days to make the canteen available for our students. She is always buzzing around doing something for the students and parents at our school. We appreciate all that you do.

A huge thank-you to all the parents who baked, cooked, served, volunteered and came along on Friday to cheer our students on at the Athletics carnival. A great day was had by all.

Thanks to Uncle Ritchie Donovan and Charlie for providing us with world class facilities and support to again, successfully complete our carnival for another year.

I will be taking 2 weeks of long service leave at the beginning of Term 3, so I will be back in Week 3.

Annette Balfour will be Acting Principal in my absence.

Have a safe restful break over the holidays.

Looking forward to leading, learning and teaching in Term 3.

Thanks, yaarri yaraang, terima kasih.

A Successful Athletics Carnival

Despite a damp oval the Athletics Carnival was very successful. There was lots of mud and enthusiastic cheering from supporters. A great day was had by everyone!

Coastal Community Recycling is a Scotts Head based business for all residents and businesses in Scotts Head. Keeping our community clean and encouraging big multinational business to stop using plastics altogether.

You may have noticed our blue bins with yellow lids pop up around town for events such as World Ocean Day, Scotts Head Paddle Games, Zone Sports Carnivals, businesses and weekend soccer. These bins have taken the pressure off our sometimes overflowing smelly bins reducing the wind-blown litter in our busy times.

Coastal Community Recycling provides these bins for businesses and events free and does not charge for collection or sorting. 50% of all recycling money raised funds goes straight back into our community, school and clubs. Donations so far include \$500 to the Scotts Head Sports Committee, \$325 to the students at Scotts Head Primary School and \$145 to Scotts Surf Club.

Coastal Community is already working with Buz Brazel Park, Scotts Head Primary School, Scotts Hub, Scotts Head Surf Club, Club Scotts, The Friendly Grocer, Scotts Head Community Events, Christian Youth Centre and many more. We are now inviting all residents, clubs and business to join in raising funds for community projects.

We have easy-to-handle recycling crates available for all residents to start collecting recycling. It's simple, when full call the number on the crate and it will be collected and replaced with a new one free of charge with 50% of all money donated. At the moment we are only collecting glass bottles (including wine bottles), cans, plastic bottles and any items that have the 10 cent return symbol. This process is helping to ensure valuable resources are not going to landfill and raising much needed funds for Scotts Head.

A big thanks to all businesses who have helped Coastal Community Recycling get off the ground, especially Ritchie Donovan and Scotts Hub. A big thanks also to our first resident recyclers Wayne, Bart and others - we welcome everybody to join in. Our aim is to get into a commercial premises and purchase machinery to expand what we can recycle and keep our town pristine.

Call Heyden on 0467072441 for your recycling crate. Find us on Facebook and Instagram @coastalcommunityrecycling
