Dear Parents and Carers

Indonesian Parent Classes

The response to begin a parent Indonesian class has been overwhelming well received. The course will begin in week 2 of Term 4. It will be held each Tuesday from October 22 to week 9 December 10 starting at 3.15 till 4.30. The cost for the course will be \$60 for 10 hours. This payment can be made online as IALF Parent Class or at the office. This class will be presented in an online format provided by Indonesia Australia Language Foundation (IALF) from Bali. Our teacher will be a dear friend of our school, Bu Dayu, who was our last Indonesian native speaker from Bali. All classes will be recorded and learning materials provided. Spaces are available if anyone is interested joining up.

IALF is Indonesia's premier institution for English and Indonesian language training and it is a not-for-profit and fee-for-service Indonesian education foundation established in 1989 and led by a Board of Governors based in Jakarta. Their vision is to be the leading provider of language training and consultancy services in Indonesia and the Asia-Pacific region.

Their mission is to contribute to economic, social and cultural development in Indonesia and the region, and to enhance mutual respect and understanding between the people of Indonesia and neighbouring countries such as ours. This year our senior classes have been learning through this online virtual school for one hour per week, which has been highly successful.

Out of school hour's care (OOSH)

We are still working towards creating an out hours of service for child care. Our biggest blocker is that we do not have the consistent numbers for each session for it to be a viable ongoing service. Anyway there are whispers, that more support is coming to rural schools such as ours, so will keep it as a community focus.

Congratulations to Tegan, Harry and Mirranya for representing our school at Lismore and thank you to all the parents who provided transport.

On Saturday our staff got together with a number of other schools at Frederickton PS implement making learning visible to the students. This day will go towards one of the professional development days at the end of the year after the students finish.

The Visible Learning school change model of professional learning is based on one simple belief - every student should experience at least one year's growth over the course of one school year.

This Week's Whale Awards and Outstanding Progress Awards

Visible Learning translates the research of Professor John Hattie into a practical roadmap for implementation in the classroom and school wide. Today, schools around the world use Visible Learning to examine their impact on student achievement and create innovation in the learning environment.

The staff focused on deepening our understanding about creating learning intentions and success criteria from the syllabus outcomes, to help collaborative planning of a series of lessons linked to progress in curriculum areas. Together we then created a shared understanding of effective learner characteristics and the importance of learner dispositions that will complement our Whale Values. This will be shared with the community at the Spring Fair, with an opportunity for your valuable feedback.

Thanks, yaarri yaraang, terima kasih.

Jump Rope 4 Heart

There's only one week left to register your child! Help them raise money for a great cause and maybe win fantastic prizes. Please go to jumprope.org.au. Click on 'Kids', then 'register' and follow the steps. \$759.00 has been raised.

Life Education - Week 10

Life Education will be at the school on 24 & 25 September. Notes were sent out last Friday. Please return permission note and payment by Friday 20 September.

End of Term Assembly - Week 10

The Assembly will be held between 1 and 3pm in LLLCC. All parents and friends are invited to attend. School Captain Badges will be presented along with Athletic Medals.

The School Day - students arriving before 8.30am

Our school day commences at 8.55am with teacher supervision from 8.30am. Students arriving before 8.30am are unsupervised. We therefore recommend parents send students to school after this time unless an arrangement has been organised with the office.

Remember to send in a note if your child is absent from school. After 7 days, the system automatically records as an "Unexplained Absence".

Search "Scotts Head Public School" in the app store.

Planned Absence:

When a student will miss 10 consecutive school days or more, permission needs to be granted by the principal. Application forms are available at the office. If and when the leave is approved, a certificate is provided to enable parents to prove to authorities (if required) that they have permission to have their child out of school.

Payments to School

Payments can be made to the school using the following options:

- EFTPOS – at the office.
- Parent online payment POP - via the school website—using the 'Make a Payment' button.
- Cash and cheque are still accepted at the office.

Updating Contacts It is important parents keep contact details up to date. Please contact the office or send a note with your child if there is a change of address or contact phone number.

Coffs Adventure Centre Camp

The year 5/6 students are having a wonderful time at the Coffs Coast Adventure Centre. They have participated in activities such as canoeing, the giant swing, the ladder logs, leap of faith and circus skills.

They also had a great time doing night time capture the flag.

This afternoon students will be conquering the giant drop.

Learned Leaders

Gumbaynggirr Language and Culture Camp

Last Tuesday 5 of our students, along with Bu Gillian and Ricky, attended the Gumbaynggirr Language and Culture Camp at the Coffs Adventure Centre. The camp contributes to informing, strengthening and connecting students to language and culture through sharing knowledge and resources. The AECG in partnership with the Department of Education's Aboriginal Education and Communities Directorate are committed to supporting Aboriginal student identity and belonging and raising the academic achievement of Aboriginal students. The students had a wonderful experience at the camp.

Toastmasters—Year 5/6

Students from year 5/6 have been participating in public speaking opportunities as part of Toastmasters. As part of this students complete timed sessions of speaking aloud and are given feedback from an evaluator (another student).

Today students did some excellent warm up speaking about their favourite authors that was linked to English Textual Concepts. We are all looking forward to our next session.

Our Year Advisor Mr Aaron Parker has enjoyed getting to know the Year 7 2020 students by visiting their primary classes over the past two weeks. Thank you for making him welcome at your school.

All students whose parents completed and returned an EOI (Expression of Interest) should have received an enrolment package in the mail. This needs to be completed and returned to the Macksville High School by the 23/9/19 with a copy of the student's birth certificate, proof of address (eg electricity bill) and their vaccination records. Any students who did not receive an enrolment package and are planning to attend Macksville High School may pick up a package at the High School office ASAP. Jenny Conway

Art in the Park

Last Wednesday 'Art in the Park' was held at the Reserve. 15 students were selected due to their artistic interest and ability to support other students from the area. The day provided students with the opportunity to show their creative skills.

A great day was had by everyone!

Thanks to Hayden for putting the day together.

Spring Fair

Please save the evening of Friday 18 October for our Spring Fair here at Scotts Head Public School. Our Annual Spring Fair supports our Kitchen Garden Program and our beautiful garden where students are planting, weeding, watering, harvesting and cooking with organic produce.

We have started preparations, our garden beds are full of flowers and produce, live music is booked and students are excited to share their talents and wonderful school. Please come along and join in the fun! Everyone is welcome!

We are asking for donations to support our fair.

- ***Any unwanted toys. Soft toys, puzzles, lego, cars/trucks, any toys that would love a new home! Bring to school now.***
- ***Clean bottles filled with treats for our popular bottle stall. Bring to school now. One per family.***
- ***Cakes, biscuits or other delights for our cake stall. These cakes/delights can be dropped off at school on Friday 18 October.***

Many thanks everyone!
